

**Warranty Claim**

Inform us promptly if you need to make a claim on your motorcycle. It is your privilege within the warranty period, so let us know as soon as possible in order for us to provide you with the assistance that you required. At present, we are proud to be one of the specialists in handling warranty claims in the northern region of Malaysia.

**Warranty Information**

All warranty claims applied only for the first registered owner of a new motorcycle to be free from defects in material and workmanship under normal use and service.

The warranty shall not apply to the following conditions:

- Modification on the motorcycles
- Motorcycles previously involved in accidents
- Misuse or neglect of proper maintenance
